

Cooley·Brite® Lite

Cooley-Brite Lite is a 16-ounce, flexible, heavy-duty eradicable substrate optimal for back-lit sign and awning applications. Cooley-Brite Lite suits a wide range of graphic applications, and its advanced scrim design enhances graphic effects to provide superior quality and luminescent colors. A more resilient ink surface helps prevent fabric bruising. This durable vinyl coated polyester fabric is backed by a manufacturer's eight year warranty.

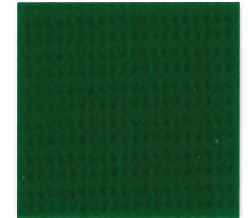

CSFM Approved, meets requirements of NFPA-701 and is tested and recognized by Underwriters Laboratories as a sign component (UL-48 & UL-94). ASTM E84 (Class A), UBC 26-7 (Class CC1), City of Los Angeles
